

REASONS FOR DECISION

Date: March 14, 2018

FILE NUMBER: 3413052

APPLICANTS: Leslie Gombik & Cathy Sang-Hee Choo and
Blue Rock Construction Ltd. (Robert Battiston)

BACKGROUND: An application was received for a Specific Permission to install a new shared private moorage structure consistent with the Private Moorage Guidelines. The application has been referred for comment to local and other relevant government agencies, and the general public.

DECISION: Offered – Specific Permission – Private Moorage
An offer has been made subject to terms and conditions that need to be met before the tenure is issued.

REASONS FOR DECISION:

Consultation has been carried out in good faith, and the Crown's process to seek understanding of the potential issues and impacts was reasonable. The potential for adverse effects on Aboriginal Interests has been avoided, minimized or otherwise accommodated.
