Management Plan

In regards to the application for Crown Land License in the name of Cindy Lee Ferguson;
195 Swick Rd, Kelowna, BC, PI: 002-687-984, Lot 3, Section 16, Township 28, SDYD,
Plan 17902

The construction of the proposed dock will start at the HWM into the lake with the main walkway to be 1.8meters wide by 11.6meters long onto a wider 3meters wide by 9.7meters long. Then onto an end section of 7.3meters wide by 3meters long making the total length of the proposed dock to be 24.5meters. The dock will be situated approximately 5meters from the north property pin on a lot of approximately 70meters of lake front footage.

The tentative start up date is for the summer of 2009, after a Land tenure has been granted.

The materials that will be used for this project will be Douglas Fir Pilings and Composite Decking.

The proposed Dock will be built at a private residential home site and will be used for private recreational, family and friend use during the summer months.

Public access has been provided across the property and the proposed dock.

There are two neighboring Docks in the area – one small Dock 2m +/- from the North property line and on to the South side at approximately 7meters from the property line.

Shoreline Pile Driving and Wharf Construction Company from Kelowna, BC will be building the proposed Dock.

Regards

Cindy Lee Ferguson
