Management Plan

In regards to the application for Crown Land License in the name of Victor Fornaro;
14548 Carrs Landing Rd., Winfield, BC; PI: 014-462-036, Lot 5, Section 5, Township 14,
ODYD, Plan 41484.

The construction of the existing dock started at the shoreline and it is 2.4meters wide x 25.4meters long onto an end section 3meters wide by 6.7meters long on to another end section of 3.0meters wide by 7.3meters long (making the total length of the proposed Dock 35.1meters long) The proposed dock will be a minimum 14.5 meters from the north property pin and 13.2meters from the north property pin, on a lakefront lot totaling approximately 30.1meters

The materials that were used for this project were Douglas Fir Pilings and Douglas Fir Decking.

The existing Dock is built at a private residential home site and will be used for private recreational, family and friend use during the summer months.

Public assess has been provided across the property and the proposed dock.

There are existing docks within 25meters: one dock is 16.6+/-meters from the north property pin and one 22.7meters from the south property pin

Shoreline Pile Driving and Wharf Construction Company from Kelowna, BC constructed the Dock.

Regards

Victor Fornaro
