Management Plan

In regards to the application for Crown Land License in the name of: Timothy Charles Melton; Pl: 004-379-004, Lot 2, District Lot 581, Osoyoos Division Yale District, Plan 29174; 1109 Sunnyside Rd., Kelowna, BC

The construction of the dock extension started approximately at the end of the existing dock at 32.6meters and is 6.4meters long by 3.7meters wide. Making the total length of the dock 39.0meters. A cross-walk was added to the north side of the existing dock which is 4.1meters long by 1.8meters wide. Then onto a finger 10.4meters long by 1.8meters wide; making the end dock into an "h" shape There are no neighbouring Docks within 25meters of either the North or South Property Pins.

The materials that were used for this project were Douglas fir pilings and Douglas fir decking.

The Dock extension will be built at a private residential home site and will be used for private recreational, family and friend use during the summer months.

Public assess has been provided across the property and the dock extension

Shoreline Pile Driving and Wharf Construction Company from Kelowna, BC constructed the dock extension.
