### **1.1 General Description of operation**

ZipZone Adventures Ltd is a new business. We intend to be a seasonal operation, offering adventurous activities to the general public. The activities include ziplines, puzzle stations and lawn games.

The location has been selected because it is a plateau overlooking a canyon. The ziplines will be installed across the canyon, providing a safe but exhilarating activity for our guests.

We also intend to offer a series of puzzle stations and mazes for individuals to solve at their leisure.

We plan to operate the park from May 1st to September 31st each year (153 days), although if there is sufficient demand we will operate the park outside of these dates. At this time, the level of seasonal demand is not known.
