

Proposed Improvements

- Only minor temporary improvements
- No fence or permanent boundary required
- No removal of existing trees except unsafe trees that have risk of falling down
- Will clear dead fallen trees (simply clean up the area for play)
- Install approximately 12 gaming barriers made from existing deadwood
- Build a deck area for rest (approximately 30 x 30 as identified)
- Place 2 to 3 picnic tables on deck
- Install one portable toilet adjacent to the decking area
- All garbage will be removed daily
