Management Plan for Land Tenure Application for Temporary Permit and Community Institutional

January 18, 2012

Our Society was formed with a goal of aiding in the preservation of the 90 year old Notch Hill Church heritage landmark located at N50.8523798 W119.433906 legal description Lot 3 Plan B1598 Section 2 Township 22 Range 11 Meridian 6 KDYD of PL 1119 (PID 011-837-942). This is why we are applying for a Crown land tenure. This will be a non-profit, non-commercial project with the only intent the preservation of this heritage landmark for Notch Hill residents and public at large.

Access to this site will be through the adjacent private property owner, the Walters family. This access will be along the northerly property's fenceline. We have written permission to do this from this property owner.

The Society intends on arranging for and completing structural and architectural repairs to the building in order to preserve it for present and future generations. This will be done by seeking out and obtaining grants and fundraising in order to complete these repairs.

If this project is not initiated soon, then the odds are great that this landmark will be lost to history forever.

Yours truly,

Louise Barber
