MANAGEMENT PLAN

In regards to the application for a Crown Land License in the name of William David Iwanicki and Jennifer Joyce Iwanicki at 8094 Beachcomber Bay Road, Vernon, BC V1H 1C8, Lot 14, District Lot 296, Plan 9826, Osoyoos Division of Yale District

The proposed new dock structure shall start just above the normal high water mark. The West side of the dock will be 10.77m from the property line and the East side 12.11m from the property line, with the main access running parallel to those lines. It will be 1.5m wide and go out 24.38m. At this point the end deck widens to 3m wide by 9.75m long. This makes the entire structure 34.14m +/- long and a maximum of 3m wide. There is a dock to the West at 6.8 +/- from the property line and another to the East at 2.7m +/- from the property line. This new structure will be built inside the existing licensed area.

Building materials will include steel piles, Douglas Fir framing timbers, and composite decking.

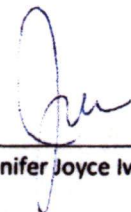

The proposed dock structure will be constructed in accordance to the 'Okanagan Large Lakes Foreshore Protocol', for clear or no colour zones.

This dock is for private use for family and friends with public access provided year round.

Best Regards,

William David Iwanicki

Jennifer Joyce Iwanicki
